August 3, 2000

Dear Mr. Hedberg:

I apologize for the delay in responding to the above referenced letter. As you are aware ECDC has been working very closely with the Division for the past year revising the Mine Site Plan, Reclamation Plan and the NOI to revise mining operations.

Please find enclosed an updated *Reclamation Contract* and a copy of *Attachment B*. Attachment B was submitted with a early contract and was received by the Division June 28, 1999. I have included the *Surety Rider* for Bond Number . The rider increases the from \$42,630 to \$63,100. A *Surety Continuation Certificate* is also included.

If you have any questions or addition information in needed please call me at 435-888-4418

Sincerely,

Darin Olson
ECDC Environmental Manager
